Parking

Two parking areas are available. Parking on the south side of the building is reserved for Emergency Center patients unless the main entrance is closed. While the main entrance is open, all others are asked to park in the north parking lot near the main hospital entrance. If you arrive during visiting hours, but after the main entrance door has been locked for the evening, signs on the door will direct you to park in the south lot.

Visitation hours and regulations

- **General visitation** – 11 a.m. to 8 p.m. daily
- **Quiet time** – 12:30 to 2 p.m. daily
- **We recommend that visitors schedule their visits before 12:30 p.m. or after 2 p.m.** During this time, therapy sessions, doctor rounds and other interruptions will be limited. We recommend that you as a patient take this time to rest as this will help you in your healing process.
- Special visits to a patient may be arranged at the discretion of the attending physician or charge nurse.
- No more than two visitors are allowed at the bedside at one time.
- Designated lounge areas for visitors are available.
- Healthy children under age 12 may visit and must be under the direct supervision of a responsible adult.
- Visitors should be free of communicable infection or disease.
