

OLIVIA HOSPITAL & CLINIC PROVIDER LIST APPENDIX

Date of Last Update: January 1, 2024

In connections with its Financial Assistance Policy, Olivia Hospital & Clinic maintains a list of providers, other than Olivia Hospital & Clinic itself, providing emergency or other medical necessary care in Olivia Hospital. This provider list must specify which providers are covered by Olivia Hospital & Clinic Financial Assistance Policy and which are not. Please note, that where applicable, providers may be listed by a general reference to an Olivia Hospital & Clinic department or service line, meaning all providers delivering care within those departments or service lines are or are not covered by the Financial Assistance Policy. Providers may also be listed by individual names, practice groups, or business/company names.
