

CURRICULUM VITAE FOR PROMOTION AND TENURE

**BRIAN C. MARTINSON, PHD**  
United States Citizen

**PROFESSIONAL ADDRESS**

HealthPartners Institute  
8170 33rd Ave. S., MS# 23301A  
Bloomington, MN 55425  
Phone: (952) 967-5021  
Fax: (952) 967-5022  
Email : [Brian.C.Martinson@HealthPartners.Com](mailto:Brian.C.Martinson@HealthPartners.Com)

Center for Care Delivery and Outcomes Research  
Minneapolis VA Health Care System (152/Bldg 9, 315)  
One Veterans Drive, Minneapolis, MN 55417  
Phone: (612) 467-5197  
Email : [Brian.Martinson@VA.GOV](mailto:Brian.Martinson@VA.GOV)

**IDENTIFYING INFORMATION**

**Education**

<b>Degree</b>	<b>Institution</b>	<b>Date Degree Granted</b>
B.A.	University of Minnesota, Minneapolis, MN, Sociology ( <i>Magnum Cum Laude</i> )	1987
M.S.	University of Wisconsin—Madison, Sociology	1989
Ph.D. [Advisor: Lawrence L. Wu]	University of Wisconsin—Madison, Sociology	1994
Postdoctoral Fellow – NHLBI, Cardiovascular Behavioral Health	University of Minnesota, Division of Epidemiology, School of Public Health	1996-98

**Academic Appointments**

University of Minnesota, Department of Medicine Associate Professor	(3/2014-Present) 2014-Present
Minneapolis VA Medical Center, Center for Care Delivery and Outcomes Research Core Investigator	(2013-Present) 2013-17
HealthPartners Institute, Bloomington, MN Senior Research Investigator	(1998-Present) 2006-Present

August 22, 2019

Research Investigator	2000-2006
Research Associate	1998-2000
Saint Mary's University (of Minnesota)	Summer 1996
Adjunct Program Assistant Professor	Summer 1996
<b>Academic Administrative Appointments</b>	
Project Officer, Internal Grants Program HealthPartners Institute for Education and Research	2013-Present
Director, Science Programs HealthPartners Institute for Education and Research	2011-13
Member, Research Council HealthPartners Institute for Education and Research	2011-13
Member, Board of Directors HealthPartners Institute for Education and Research	2007-12
Member, Institutional Review Board (Human Subjects Protection) Regions Hospital	2000-10
<b>Consulting Positions</b>	
Consultant to University of Minnesota, Office of the Vice President for Research – for employing SOURCE as part of overall Campus Climate initiative	2016-17
Consultant to UIUC/NTU Leadership Academy Project University of Illinois at Urbana-Champaign, Nanyang Technical University, Singapore	2015-17
Consultant to UIUC, SOuRCe on EthicsCORE Project University of Illinois at Urbana-Champaign	2012-present
Consultant, Council of Graduate Schools, Project on Scholarly Integrity Michigan State University, Penn State University, University of Wisconsin-Madison	2008-10
<b>Current Membership and Offices in Professional Organizations</b>	
American Sociological Association	1986-present
American Public Health Association	1997-present
American Association for the Advancement of Science	2012-present
Association for Practical and Professional Ethics	2013-present
<b>Other professional employment, including military service</b>	
Senior Statistical Analyst, Hennepin County Department of Community Corrections, Office of Research and Systems Technology	1994-96
Research Associate to Glen Elder Jr., University of North Carolina—	Jan-May 1994

August 22, 2019

Chapel Hill, Carolina Population Center, Iowa Youth and Families Project

Research Assistant to Larry L. Wu, NSF sponsorship, University of Wisconsin—Madison, Center for Demography and Ecology 1992-94

Research Assistant, Interviewer Supervisor, Telephone Interviewer, University of Minnesota, Minnesota Center for Survey Research 1986-87

Research Associate, First Bank Minneapolis, Department of Urban Development Spring 1986

Research Assistant, Minneapolis Star and Tribune, Research department Winter 1986

## **HONORS AND AWARDS FOR RESEARCH WORK, TEACHING, PUBLIC ENGAGEMENT, AND SERVICE**

### **University of Minnesota**

Birkelo Scholarship 1986  
Phi Beta Kappa 1987

### **External Sources**

Excellence in Research Award 2007  
HealthPartners Institute for Education and Research

## **RESEARCH AND SCHOLARSHIP**

### **Grants and Contracts**

#### **A. Principal Investigator or Program Director**

##### **Current**

Professional Services Contract to University of Illinois at Urbana-Champaign. Implementing the Survey of Organizational Research Climate (SORC) on EthicsCORE website, 07/01/18-06/30/20, 20% salary support.

Career Advancement And Culture Change In Biomedical Research: Group Peer Mentoring Outcomes And Mechanisms, NIH Common Fund [PI, Linda Pololi, Brandeis University], Site PI & Co-Investigator, 08/01/19-07/31/24

Wearable Device Intervention to Improve Sun Behaviors in Melanoma Survivors. American Cancer Society, [PI, Isaksson-Vogel, Rachel], Site PI & Co-Investigator, \$119,000 directs, 08/01/19-07/31/23

##### **Past**

Developing Proactive Outreach Strategies for Asian Language Speaking Smokers. ClearWay Minnesota, [PI, Fu, Steven], Co-Investigator & Site PI, \$44,000 directs, 01/05/17-05/31/19

Professional Services Contract to University of Illinois at Urbana-Champaign. Development and testing of Asian language versions of the SORC as component of the Nanyang Technical

University Leadership Academy Project, a collaborative between UIUC and NTU, contract pending, 1/31/15-1/31/17, 20% salary support.

An RCT to Test Reporting and Feedback to Foster Research Integrity Climates, Principal Investigator, VA HSR&D, SDR 12-423, \$417,724, 10/1/13 – 9/30/15 (total cost, total project period), 40% salary support. [no-cost extension – 10/1/15-9/30/16]

Propagating the Uniform Research Integrity Climate Assessment (U-RICA). NCRR - and ORI – DHHS Office of Research Integrity, R21-RR025279, Co-Principal Investigator with Carol Thrush, PhD (UAMS), \$299,899, 09/29/2008-04/30/2012 (total cost, total project period)

Professional Services Contract to Michigan State University. Consultant to a consortium of three universities participating in the Project on Scholarly Integrity, an initiative of the Council of Graduate Schools (CGS) with funding from DHHS Office of Research Integrity. Assisted in conducting, analyzing and interpreting a research integrity climate assessment survey (a pre-validated version of the SORC). In the process, the survey was adopted by the CGS as the standard climate assessment tool used across seven participating universities - Columbia, Emory, Michigan State U, Penn State U, U of Wisconsin-Madison, U of Alabama-Birmingham, and U of Arizona, \$18,400, 12/01/08-12/01/10, (total cost, total project period)

Procedural Justice, Identity, and Research Integrity, NINDS and ORI – DHHS Office of Research Integrity, R01- NS052885, Principal Investigator, \$333,752 09/05-07/09 (total cost, total project period)

Maintaining Physical Activity in Older Adult MCO Members, NIH-NIA, R01-AG023410, Principal Investigator, \$1,792,299, 09/30/03-08/31/09 (total cost, total project period)

Work-Strain, Career Course and Research Integrity, NINR and ORI – DHHS Office of Research Integrity, R01-NR08090, Principal Investigator, \$175,000, 09/01/01-08/31/03 (total cost, total project period)

Partners for Better Health Evaluation – 2, HealthPartners -Center for Health Promotion, HP-01-028, Principal Investigator, \$108,231, 01/01/01-12/31/05 (total cost, total project period)

White Collar Work Stress: Work Stress and Excessive Work Effort Among Professional Workers, HealthPartners Research Foundation HP-00-027, Principal Investigator, \$25,000, 07/01/00-04/19/01 (total cost, total project period)

Use of Incentives to Recruit Teens for Smoking Cessation, NIH-NCI, R03-CA78183, Cancer Prevention and Control Research Small Grant Program, Principal Investigator, \$50,000, 05/01/98 – 04/30/00 (total cost, total project period)

## **Pending**

### **B. Co-Investigator**

#### **Current**

Effects of VHA opioid policy on prescribing and patient-centered outcomes. VA HSR&D, I01 HX001752, Co-Investigator (Erin Krebs, MD, Principal Investigator), \$1,093,948 (total cost, total project period), 7/1/15 – 6/30/20, 10% salary support

Using System Science Methods to Study Cardiac Risk in the Somali Community, Co-Investigator (Dr. Bjorn Westgard, Principal Investigator), NIH-NHLBI (R01-HL118282), \$2,875,269, 01/01/2014-12/31/2019 (total cost, total project period), 20% salary support

## Past

Medical Foster Homes: A Safe, Cost Effective Substitute for Nursing Homes?, Co-Investigator and Local Site Investigator (LSI), VA-HSR&D (CRE 12-029), \$363,072, 10/1/13-09/30/16 (total cost, total project period), 5% salary support [ Minneapolis site involvement ended 9/30/15]

Women's Physical Activity and Eating Habits: Influence of Work-Family Balance, NICHD R01-HD056360, Investigator & Site PI, (Joseph Grzywacz, PhD, Principal Investigator), \$395,547 (local site total cost), 12/01/08 – 11/30/11.

Linking Home Environments and Primary Care: Obesity Prevention for 2-5 year olds, NIDDK R21-DK078239, Investigator, (Nancy Sherwood, PhD, Principal Investigator), \$274,979 (total cost), 07/22/2009-06/30/2012.

Novel Approaches to Weight Loss Maintenance, NCI R01-CA128211, Investigator (Nancy Sherwood, PhD, Principal Investigator), \$1,258,004 (direct costs), 09/28/06-09/31/12.

Etiology Of Childhood Obesity: A Longitudinal Study, NHLBI R01-HL085978, Investigator & Site PI, (Leslie Lytle, PhD, Principal Investigator), \$157,258 (local site total cost), 09/01/06-05/31/11.

Examining Psychosocial Mediators of Exercise Behavior, NHLBI R01-HL072947, Investigator, (Beth A. Lewis, Principal Investigator), \$680,372 (direct costs), 10/01/04-10/31/09.

Association of Working Conditions with Prescribing Errors in Primary Care Practice, AHRQ Task Order - Contract Number: 290-00-0015-05, Investigator & Site PI, (Principal Investigator – Douglas Roblin, PhD), \$62,231 (local site total cost), 10/01/01 – 09/30/02.

Population-Based Stroke Epidemiology and Outcomes: The Minnesota Stroke Survey, NINDS R01-MS39028, Investigator & Site PI, (Russell Luepker, MD, Principal Investigator), \$396,181 (local site total cost), 09/30/00 – 06/30/05.

### Presentations

#### Invited Oral Presentations at International Professional Meetings, Conferences, etc.

1. Invited speaker - Peut-on avoir l'intégrité de la recherche sans l'excellence de la recherche? (Can we have integrity in research without excellence in research?) at Two-day seminar – No Research Excellence Without Integrity, sponsored by Alliance Nationale Pour Les Sciences de la Vie et de la Sante, Paris, France, December 12-13, 2017.

August 22, 2019

2. Invited speaker, Toronto Research Management Symposium 2017, sponsored by UHN Research – *Fostering Integrity in Research: Overview of a New Report from the U.S. National Academies*. November 21, 2017, Toronto, ON, Canada.
3. Invited participant in daylong conference co-sponsored by Nature Publishing Group and VP-Research of UC-Berkeley – *On sustaining “healthy” research groups to foster research integrity*. October 23, 2017, UC-Berkeley, Berkeley, CA.
4. Grand Rounds talk - *Systemic Threats to Research Integrity Require Systemic Responses*. Invited talk at Tilburg University, Utrecht, Netherlands, February 16, 2017.
5. Grand Rounds talk - *Does your organizational climate support or undermine research integrity? How Would You Know?* Academic Medical Center, University Hospital, Amsterdam, Netherlands, February 17, 2017.
6. *Research Ethics, Research Integrity, and Responsible Conduct of Research: What must we do to attain these virtues?* Invited Keynote speaker, *Foro en etica de la investigacion – Universidad de los Andes*, Bogota, Colombia, August 10, 2016.
7. *Reconsidering the Challenges: An Eco-Systemic Lens on Research Integrity*. Invited plenary speaker. Fourth World Conference on Research Integrity, Rio de Janeiro, Brazil, May 31, 2015.
8. *From bad apples to bad barrels: Complementary perspectives and narratives to understand undesirable, research-related behavior*. Invited oral presentation as part of a workshop on research integrity in the Ethics Track, American Psychiatric Association Annual meetings, Toronto, Canada, May 16-20, 2015.
9. *Defining and Fostering Research Integrity Climates in Organizations: Have you looked upstream?* Research Integrity Symposium at the Hospital for Sick Children in Toronto, Canada, November 16, 2012.
10. Invited panel discussant at the Leaders’ Forum – *Science Policy Forum: Research Integrity*, June 1, 2010, 93rd Canadian Chemistry Conference, hosted by the Canadian Society for Chemistry, Toronto, Ontario, Canada, May 29-June 2, 2010.
11. *Research Integrity and the Social and Psychological Environments of Science*. Invited plenary speaker. First World Conference on Research Integrity, jointly sponsored by The European Science Foundation (ESF) and the US Department of Health and Human Services Office of Research Integrity (ORI), Lisbon, Portugal. September 16-19, 2007.

**Invited Oral Presentations at National Professional Meetings, Conferences, etc.**

1. Invited speaker – *Measuring your research climate* - May 22, 2019 at conference, *The Role of Research Integrity in Promoting Excellence: Tools for College and University Leaders*, co-sponsored by U.S. Office of Research Integrity (ORI), Northwestern University, and the Council of Graduate Schools (CGS), Chicago, IL.
2. Invited presenter and panel member – *Fostering Integrity in Research: Some Distinguishing Themes* - at September 11-12, 2017 Meeting of the NASEM Committee on Science,

August 22, 2019

- Engineering, Medicine, and Public Policy (COSEMPUP), National Academy of Sciences, Washington, D.C.
3. Featured lunchtime speaker, presenting on NASEM report, *Fostering Integrity in Research*, at DHHS Office of Research Integrity, QUEST for Research Excellence Conference, August 8, 2017, George Washington University, Washington, D.C.
  4. *Organizational Climates for Research Integrity in Political Science*. Invited talk as part of a two-day Workshop on Ethics and Experimental Political Science, West Virginia University, May 17-18, 2016.
  5. *Systemic Threats to Research Integrity Require Systemic Responses*. Invited talk, closing keynote, DHHS Office of Research Integrity Sponsored conference, “Keeping the Pool Clean: Prevention and Management of Misconduct Related Retractions.” Fort Collins, CO, July 20-21, 2016.
  6. *How clean is the pool in your own backyard, and how would you know? Assessing Organizational Climates for Research Integrity using the SOuRCe*. Invited talk at Ethics Colloquium, Colorado State University, Fort Collins, CO, July 22, 2016.
  7. *Can Research Integrity Be Incentivized?* Invited talk for a session in “The Missing “R”: Reproducibility in a Changing Research Landscape. A Workshop of the Roundtable on Science and Welfare in Laboratory Animal Use (An ILAR Roundtable Series). National Academy of Sciences, Institute for Laboratory Animal Research. Washington, D.C., June 4-5, 2014.
  8. *Promoting Research Integrity Climates in Organizations: From Bobbing for Bad Apples to Looking Upstream*. Talk given as part of *Promoting Research Integrity: A Workshop for Research Faculty and Administrators*. One of three workshop faculty, One-day workshop held in conjunction with the 23rd Annual Meeting of the Association for Practical and Professional Ethics. Jacksonville, FL, February 27, 2014.
  9. *Defining and Fostering Research Integrity Climates in Organizations: Have you looked upstream?* National Academy of Engineering, Center for Engineering, Ethics, and Society workshop, *Practical Guidance on Science and Engineering Ethics Education for Instructors and Administrators*. Washington, D.C., December 12, 2012.
  10. Participant, one of twenty, in an NSF funded, 3-day consensus conference on the responsible conduct of research, led by Dr. Michael Kalichman, UCSD. Objective was development of a “train the trainer” curriculum in the responsible conduct of research. Asilomar Conference Center, Monterey, CA, March 2012.
  11. *A New Impact Metric for CTSA Ethics Programs: The Survey on Responsible Research Practices*. Keynote presentation by Martinson, B.C. & Thrush, C.R.. Annual Meetings of the CTSA Clinical Research Ethics Key Function Committee, November 4, 2010, Chicago, IL.
  12. *Lessons Learned in Assessing Institutional Climate for Research and Scholarly Integrity*. Invited speaker with Thrush, C.R.. Council of Graduate Schools, Project on Scholarly Integrity Capstone Conference, October 30, 2010, Washington, D.C.

August 22, 2019

13. Tailoring and Expanding Research Integrity Education Across the University. Invited symposium participant. Annual meetings of the American Association for the Advancement of Science (AAAS), Monday, February 20, 2006, St. Louis, MO.
14. Predicting Misconduct as a Function of the Social and Psychological Environments of Science. Annual meetings of the American Psychological Association, August, 2006, New Orleans, LA.
15. Invited panel participant in research integrity workshop held at Annual meetings of the American Society of Neurochemistry, June 27, 2005, Madison, WI.
16. Didactic Seminar on Event History Methods. Invited lecturer with Larry L. Wu. Annual Meetings of the American Sociological Association, August 1992, Pittsburgh, PA.

**Invited Oral Presentations at Local and Regional Professional Meetings, Conferences, etc.**

1. Invited speaker, 2018 Biomedical Research Integrity Program. Integrity of Science Requires Integrity of All: Individual, Institutional, and Systemic Factors, Fred Hutchinson Cancer Research Center and University of Washington, Seattle, WA, July 27, 2018.
2. Fostering Integrity in Research: Overview of a Newly Released Report from the National Academies of Science, Engineering and Medicine. Invited talk at VA Medical Center General Medicine Research Conference, Minneapolis, MN, June 15, 2017.
3. Incentives and Disincentives to Quality Science: Systems Produce Exactly What They Are Designed To Produce. Grand Rounds, Center for Clinical and Translational Science (CCaTS), Mayo Clinic, Rochester, MN, September 19, 2014.
4. Bad Apples, Bad Barrels or Both: Climate Surveys in Business and Academia – Ways to Measure Ethical Culture. Panel discussion with Karen Klomparens (MSU) and Lyn Scrine (Allstate) Connecting Silos: Sharing Ideas & Best Practices in the Teaching of Professional & Research Ethics. National Center for Professional and Research Ethics, University of Illinois at Urbana-Champaign, workshop, May 29-30, 2013.
5. Invited speaker, Ethics Awareness Week, University of Illinois at Urbana-Champaign, October 8, 2012. Getting From Regulatory Compliance to Genuine Integrity: Have you looked upstream?
6. Do Scientists Behave Badly? Integrating Research Ethics and Scholarship seminar. University of Wisconsin-Madison, sponsored by UW-Madison Office Of Research Policy. Separate presentation given immediately following to the Science and Medicine Graduate Research Scholars (SciMed GRS) program, which is a fellowship program for underrepresented graduate students in the biological sciences. November 9, 2011
7. Defining and Fostering Research Integrity Climates in Organizations. Keynote speaker and panel discussant, Fred Hutchinson Cancer Research Center, Annual Bioethics Colloquium, Seattle, Washington, May 17, 2010.
8. Mentoring & Training in Responsible Conduct of Research and Misbehavior in Science. Invited speaker. Hans Kende Memorial Lecture series on Integrity and Mentoring in Research. Michigan State University, March 18, 2008.

9. From Compliance to Integrity. Invited speaker and guest lecturer, as part of a week-long course on bioethics for University of California San Diego biomedical graduate students, postdoctoral fellows, and others. Public lecture attended by the Vice Chancellor and Assistant Vice Chancellor for Research, Vice President for Research from SDSU, and other UCSD leadership. University of California San Diego Research Ethics Program, May 22, 2007.
10. Speaking on scientific misconduct and questionable research practices. Invited speaker, Fred Hutchinson Cancer Research Center 8th Annual Bioethics Colloquium, Seattle, Washington, May 16, 2007.
11. Scientists May Behave Badly, but...A Brief Overview of Findings. Invited speaker, presenting to researchers in the University of Washington School of Medicine - Department of Medical History and Ethics, May 15, 2007.
12. Invited speaker, presenting results of Keep Active Minnesota -- maintaining physical activity and adults 50-70, for conference breakout session: Older Adults Mobility at Home and in the Community: Strategies for Safety, Independence and Participation. Annual Meeting of the Minnesota Gerontological society, April 27, 2007, Brooklyn Center, Minnesota.
13. Research Integrity in the Era of Entrepreneurial Science. Keynote speaker at 1st annual awards dinner of the Minneapolis VA Medical Center, Center for Chronic Disease Outcomes Research, Sunday, May 7, 2006, St. Paul, MN.
14. Predicting Misconduct as a Function of the Social and Psychological Environments of Science. Invited lecture. Conference on Detecting Research Bias and Misconduct. Hosted by University of Alabama at Birmingham, and sponsored by the DHHS Office of Research Integrity, September 15, 2006, Birmingham, AL.
15. Scientists' Perceptions of Organizational Justice and Self-Reported Misbehavior. Invited lecture delivered to the Demography Graduate Training Seminar, University of Wisconsin—Madison, April 4, 2006, Madison, WI.
16. Scientists' Perceptions of Organizational Justice and Self-Reported Misbehavior. Invited lecture, presenting results of first national survey of research integrity to intramural and extramural researchers at the National Institute of Environmental Health Science (NIEHS), January 27, 2006 at Research Triangle Park, NC.
17. Scientists' Perceptions of Organizational Justice and Self-Reported Misbehavior. Invited lecture. Responsible Conduct of Research, hosted at Idaho State University, and sponsored by the DHHS Office of Research Integrity. October 20-21, 2005, Idaho State University, Pocatello, Idaho.
18. Scientists' Perceptions of Organizational Justice and Self-Reported Misbehavior. Invited lecture, presenting results of first national survey of research integrity work at U Mass Medical School, Worcester - Center for Mental Health Services Research, July 12, 2005, Worcester, MA.
19. Presenter. Hennepin County Sex Offender Seminar. Prepared for and presented to the Hennepin County Board of Commissioners and invited Judges. (February 1996)

**Peer-Reviewed Oral Presentations at Professional Meetings, Conferences, etc.**

1. Westgard, B., Martinson, B.C., Farah, F., Gani, A., Pryce, D.. Studying Cardiovascular Disease Among Somali Refugees and Immigrants: Lessons Learned Through Community Engagement and Respondent Driven Sampling of Social Networks. Oral Presentation at the 2018 Annual Minnesota Public Health Association Meeting, May 18, St. Cloud, MN
2. Pryce, D., Westgard, B., Martinson, B.C., Maciosek, M., Farah, F., and Wewerka, S. Evolving cardiovascular disease (CVD) risk factors in a Somali-American Immigrant Community. Oral presentation at the annual Health Care Systems Research Network (HCSRN) 2018 Annual Meeting, April 12, Minneapolis, MN
3. Martinson, B.C., Thrush, C.R., Gunsalus, C.K., and Bouter, L. “Being more scientific about scientific integrity: what can improve how we’re doing?” Symposium session, Fifth World Conference on Research Integrity, Amsterdam, NL, May 28-31, 2017
4. Martinson, B.C., Panel Participant, Panel Session 194, “Building the Learning Health Care System through Research-Delivery System Partnerships” at the annual Health Care Systems Research Network (HCSRN) 2017 Annual Meeting, May 21, San Diego, CA
5. Master, Z. and Martinson, B.C. The moral responsibilities of academic research institutions to safeguard the integrity of research. International Society for Stem Cell Research 2015 Annual Meeting, June 24-27, Stockholm, Sweden
6. Martinson, B.C., Charns, M.P., and Mohr, D. Results from the 2014 Survey of Organizational Research Climates in VA (SOuRCe). [Cyberseminar hosted by VA HSR&D] March 19, 2015.
7. Martinson, B.C. How and Why Data Matters in Research Integrity. Talk to be given as part of symposium: Measuring Research Integrity: Survey of Organizational Research Climate, Annual Meetings of the American Association for the Advancement of Science (AAAS), February 15, 2015, San Jose, CA.
8. Understanding Why Researchers Misbehave. Talk to be given as part of symposium: Integrity of Science, Annual Meetings of the American Association for the Advancement of Science (AAAS), February 13, 2015, San Jose, CA.

**Other Key Activities and Accomplishments**

1. Invited participant (1 of 23 internationally), Governance of Research Integrity: options for a coordinated approach, EMBO and OECD Global Science Forum, Heidelberg, Germany, 23-25 January, 2019.
2. Invited lecture for PubH 6806 (Prof: Tim Beebe). Ethical Challenges, Research Integrity, and Responsible Conduct of Research, April 22, 2019.
3. Invited lecture for PubH 6806 (Prof: Tim Beebe). Ethical Challenges, Research Integrity, and Responsible Conduct of Research, April 16, 2018.
4. Invited lecture for PubH 6806 (Prof: Tim Beebe). Ethical Challenges, Research Integrity, and Responsible Conduct of Research, April 17, 2017.

5. Invited facilitator. Conference breakout session: Strategies to maintain and improve health: focus on lifestyle change,” at the Annual meeting of the Minnesota Gerontological Society, Friday, April 21, 2006, Brooklyn Center, Minnesota.
6. Discussant. Annual Meetings of the Population Association of America. Session Title: Life Course Perspectives on the Transitions to Marriage and Parenthood. April 1995
7. Chair. Annual Meetings of the Population Association of America. Session Title: Cohabitation and Marriage Issues. May 1994
8. Discussant. Annual Meetings of the Population Association of America. Session title: Children and Youth Under Stress. May 1994
9. Discussant. Annual Meetings of the Population Association of America. Session title: Causes and Consequences of Changes in Marital Status. March 1991

## **PROFESSIONAL SERVICE AND PUBLIC OUTREACH**

### **Service To The Discipline/Profession/Interdisciplinary Area(s)**

1. Invited consultant to and participant in two-day, NSF funded workshop, “Intention and Implementation: The Challenges of Asking for and Providing ‘transparency’ in Qualitative Social Science,” March 15-16, 2018, Reston, VA
2. Invited participant in public release activities of Fostering Integrity in Research, a report of the National Academies of Science, Engineering, and Medicine, April 10-11, 2017, Washington, D.C.
3. Invited participant (one of 20) in a two-day colloquium, sponsored by the American Academy of Microbiology, entitled “**Promoting Ethical Practices in the Scientific Enterprise.**” Held at ASM Headquarters in Washington, D.C on **October 14-15<sup>th</sup>, 2015**
4. Invited participant (one of 20) in a day-long coordinative and planning meeting of leading educators and researchers involved in initiatives related to the responsible conduct of research. Organized by Michael Kalichman and Philip Langlais, and held at the offices of the Council of Graduate Schools, Washington, D.C. April 9, 2009. Subsequently self-named the National Advisory Panel on Research Integrity, this group has continued to interact on an ad hoc basis – most recently via a discussion group hosted on EthicsCORE (Collaborative Online Resource Environment).
5. Invited participant - two-day meeting of DHHS Office of Research Integrity funded Principal Investigators, March 21-22, Chevy Chase, MD. Advising ORI staff in development of the 2005 ORI sponsored RFA for Research on Research Integrity.
6. Planning Committee and “day planner” for 2002-2003 Leadership Twin Cities program, sponsored by Twin Cities Regional Chamber of Commerce, Minneapolis, MN.
7. Participant in 2001-2002 Leadership Twin Cities training program, sponsored by Twin Cities Regional Chamber of Commerce, Minneapolis, MN.

### **Editorships/Journal Reviewer Experience**

Editorial Board of Preventive Medicine, 2018 – present

Associate Editor, Health Behavior and Policy Review, 2014-

Editorial board of the American Sociological Review, Student Intern, University of Wisconsin—Madison - 1991-1992

Peer Reviewer for Preventive Medicine, Preventive Medicine Reports, American Journal of Preventive Medicine, Science & Engineering Ethics, PLOS|One, Research Integrity and Peer Review, American Journal of Health Behavior, Journal of Obesity, USPSTF, International Journal of Behavioral Nutrition & Physical Activity, American Journal of Health Promotion, Economic and Human Biology, Advances in Preventive Medicine, Journal of Occupational & Environmental Medicine, Academic Medicine

### **Review panels for external funding agencies, foundations, etc.**

Chair, Study Section for OASH/Office of Research Integrity (ORI) Extramural Research Grants Application Review, August, 2013

NIH special emphasis panel reviewer for NIA funded P01 project renewal submission focused on psychosocial, economic and environmental influences on health in a predominantly latina/latino community, November, 2009

### **Committee memberships**

Panel Member, Expert Panel on Research Integrity – October 2009 – July 2010 – convened by the Council of Canadian Academies with charter from Industry Canada to write report identifying the key research integrity principles, procedural mechanisms and practices that could be applied across research disciplines at institutions receiving funds from the federal (Canadian) granting councils.

Panel Member for report, *Fostering Integrity in Research*, National Research Council Panel on Research Integrity – January 2012 – April 2017. Charge to committee is to prepare a report on Responsible Science, updating from the 1992 report Responsible Science: Ensuring the Integrity of the Research Process. Sponsors include NSF, ORI, DOE, VA, and USGS. Washington, D.C.
