

CURRICULUM VITAE¹

Michael D. Zwank, M.D.
US Citizenship

PROFESSIONAL ADDRESS

Regions Hospital
Department of Emergency Medicine
640 Jackson Street, MS11102F
Saint Paul, MN 55101
651-254-2055
Fax: 651-254-5216
Michael.D.Zwank@healthpartners.com

Education

Degree	Institution	Date Degree Granted
B.S.	University of Wisconsin Madison, WI Molecular Biology	1996
M.D.	University of Wisconsin Medical School Madison, WI Doctor of Medicine	2001
Internship	Boston Medical Center Internal Medicine Boston, MA	2003
Residency	Boston Medical Center Emergency Medicine Boston, MA	2006
Residency	Boston Medical Center Chief Resident Emergency Medicine Boston, MA	2006

Certifications, Licenses

Fellow American Academy of Emergency Medicine	2013-Present
Fellow American College of Emergency Physicians	2009-Present
American Registry for Diagnostic Medical Sonography (RDMS)	2009-Present
American Board of Emergency Medicine	2007-Present
Minnesota Medical License	2006-Present
Wisconsin Medical License	2006-Present
Minnesota DEA Registration	2006-Present
Wisconsin DEA Registration	2006-Present
Pediatric Advanced Life Support (PALS)	2003-Present
Advanced Trauma Life Support (ATLS)	2003-Present
Advanced Cardiac Life Support (ACLS)	2002-Present

Academic Appointments

University of Minnesota, Twin Cities Assistant Professor of Emergency Medicine	2007-Present
---	--------------

Clinical/Hospital Appointments

Research Director Department of Emergency Medicine Regions Hospital Saint Paul, MN	8/2012-Present
Ultrasound Director Department of Emergency Medicine Regions Hospital Saint Paul, MN	1/2007-Present
Senior Staff Physician Department of Emergency Medicine Regions Hospital Saint Paul, MN	8/2006-Present
Attending Physician	8/2006-Present

Emergency Department, HealthPartners Western
Wisconsin Group (Hudson Hospital, Lakeview Hospital,
Westfields Hospital, Amery Regional Medical Center)

Attending Physician
Emergency Department
Saint Croix Regional Medical Center
Saint Croix Falls, WI

8/2006-9/2012

Consulting Positions

Editorial Review Group Chair in Emergency Medicine
Doody Enterprises, Inc.
1100 Lake St. Suite LL 25
Oak Park, IL 60301

2/2012-present

- I write and edit reviews for recently published books in the field of emergency medicine.
I have a group of residents that assist in the writing of the reviews. These reviews are
published online and referenced by major booksellers including Amazon.com.

Expert Witness Experience – Civil Cases

2011 – Consulted on vascular injury due to police dog bite

Current Membership and Offices in Professional Organizations

American Academy of Emergency Medicine

2013-Present

American Medical Association

2003-Present

American College of Emergency Physicians

2001-Present

Society for Academic Emergency Medicine

2001-Present

HONORS AND AWARDS FOR RESEARCH WORK, TEACHING, PUBLIC ENGAGEMENT, AND SERVICE

External Sources

Fellow

2013

American Academy of Emergency Medicine
Milwaukee, WI

Faculty Teaching Award

2011

Regions Hospital Emergency Medicine Residency
Saint Paul, MN

- Presented in recognition of the outstanding faculty educator
for emergency medicine residents

- Fellow 2009
 American College of Emergency Medicine
 Dallas, Texas
 - Awarded in recognition of special contributions to the College and the specialty of emergency medicine.
- Apple Award 2007
 Regions Hospital Emergency Medicine Residency
 Saint Paul, MN
 - Presented in recognition of the outstanding faculty educator for medical students rotating through the emergency department
- David A. Frommer Award for Academic Excellence 2006
 Boston Medical Center Emergency Medicine Residency
 Boston, MA
 - Awarded to the resident who has embodied academic research during residency
- Merck Scholar 1999
 University of Wisconsin School of Medicine and Public Health
 Madison, WI
 - Awarded for extracurricular involvement at the medical school

RESEARCH AND SCHOLARSHIP

Grants and Contracts

External Sources

Site-Investigator

Principal Investigator: Anupam Kharbanda, MD (Children's Hospitals and Clinics of Minnesota)
 NIH R01HD079463-01A1
 EHR-based Decision Support for Pediatric Acute Abdominal Pain in Emergency Care
 1% effort

Site-Investigator

Principal Investigator: Clay Johnston, MD (University of California, San Francisco)
 NIH 1U01 NS062835 and UL1 RR024131
 Platelet-Oriented Inhibition in new TIA. (NCT00991029)
 \$33,014,211
 2% Effort; January, 2012 - present

Site-Investigator

Principal Investigator: Adnan Qureshi, MD (University of Minnesota)
 NIH R01 NS062091 and R01 NS061861

Antihypertensive Treatment of Cerebral Hemorrhage II (ATACH-II)
1% Effort; April, 2014 - present

Internal Sources

Co-Investigator

Healthpartners Institute Internal Grant
Biomarker Levels as A predictor of Concussion Severity OUTcomes (BLACOUT)
Sandi Wewerka (Principal Investigator)
\$30,000
In-kind effort: Sept, 2015 – present

Grant Awardee & Administrator

Regions Hospital Internal Grant (RED Fund)
Point-of-Care Ultrasound Educator for Regions Hospital Clinicians
\$50,000
In-kind effort: Jan, 2015 – present

Principal Investigator

Healthpartners Research Foundation Internal Grant
Agreement Between Physician and CT Scan in High Energy Mechanism Stable Trauma
Patients – a pilot study
\$25,000
5% Effort: April, 2010 – September, 2011

Principal Investigator

Healthpartners Research Foundation Internal Grant
Ultrasound Guided Direct Internal Jugular Venous Catheterization
\$25,000
5% Effort; May, 2008 – October, 2009

Publications [Note if these are published electronically with a URL if appropriate]

Peer-Reviewed Publications

1. **Zwank MD**, Ho BM, Gresback D, Stuck LH, Salzman JG, Woster WR. Does computed tomographic scan affect diagnosis and management of patients with suspected renal colic? *Am J Emerg Med.* 2013 Dec 18. [Epub ahead of print] PMID: 24440589 : Impact Factor: 1.704; not cited yet
- Primary Author (Involved in all aspects of the project including study design, data acquisition, manuscript preparation and review)
2. **Zwank MD**, Dummer BW, Danielson LT, Haake BC. Lacunar Stroke in a Teenager After Minor Head Trauma: Case Report and Literature Review. *J Child Neurol.* 2013 Sep 26. [Epub ahead of print]. Impact Factor: 1.385; not cited yet
- Primary Author (Involved in all aspects of the project including defining intellectual content, literature review, manuscript preparation and review)

3. **Zwank MD**, Leow M, Anderson CP. Emergency department patient knowledge and physician communication regarding CT scans. *Emerg Med J*. 2013 Jul 14. [Epub ahead of print]. Impact Factor: 1.645; cited 1 time
 - Primary Author (Involved in all aspects of the project including study design, data acquisition, manuscript preparation and review)
4. Stelpflug SJ, Gardner RL, Leroy JM, Ellsworth H, **Zwank MD**. Hydroxocobalamin hinders hemodialysis. *Am J Kidney Dis*. 2013 Aug;62(2):395. doi: 10.1053/j.ajkd.2013.04.015. Epub 2013 Jun 15. Impact Factor: 5.294; cited 1 time
 - Co-author (Conducted literature review, manuscript preparation and editing)
5. **Zwank MD**. Emergency. *Acad Emerg Med*. 2012 Feb;19(2) p 243. Epub 2012 Jan. Impact Factor: 1.757; not cited
 - Sole Author (Defined intellectual content, writing preparation and editing)
6. **Zwank MD**, Carlson CG, Anderson CP. A new technique for evaluating jugular venous distension in congestive heart failure using ultrasound. *Am J Emerg Med*. 2012 Oct;30(8):1650-2. Epub 2012 Aug 3. Impact Factor: 1.704; not cited
 - Primary Author (Involved in all aspects of the project including study design, data acquisition, manuscript preparation and review)
7. **Zwank MD**. Ultrasound-guided catheter-over-needle internal jugular vein catheterization. *Am J Emerg Med*. 2012 Feb;30(2):372-3. Epub 2011 Oct 26. Impact Factor: 1.704; not cited
 - Sole Author (Involved in all aspects of the project including study design, data acquisition, manuscript preparation and review)
8. Burnett AM, Anderson CP, **Zwank MD**. Laboratory-confirmed gonorrhea and/or chlamydia rates in clinically diagnosed pelvic inflammatory disease and cervicitis. *Am J Emerg Med*. 2012 Sep;30(7):1114-7. Epub 2011 Oct 24. Impact Factor: 1.704; cited 4 times
 - Co-author (Involved in all aspects of the project including study design, data acquisition, manuscript preparation and review)
9. **Zwank MD**. Middle turbinectomy as a complication of nasopharyngeal airway placement. *Am J Emerg Med*. May 2009; 27 (4) 513. Impact Factor: 1.704; cited 1 time
 - Sole Author (Defined intellectual content, performed literature review, manuscript preparation and editing)
10. Oudijk EJ, Nijhuis EJ, **Zwank MD**, van de Graaf E, Mager HJ, Coffey PJ, Lammers J-WJ, Koenderman L. Systemic Inflammation in COPD Visualized by Gene Profiling in Peripheral Blood Neutrophils. *Thorax*. July 2005; 60:538-544. Impact Factor: 8.376; cited 66 times
 - Conducted laboratory experiment and data collection

Non-Peer-Reviewed Publications

1. **Zwank MD**. Case Management: Pleural Effusion. Massachusetts Chapter of the American College of Emergency Physicians (MACEP) News, February 2006: 5-7.

Articles Submitted for Publication

N/A

Educational Videos-Physician Education Material

- I was the sole producer of these videos including developing intellectual content, acquisition of images and videos and full video editing (exerpts – many more have been produced).

1. Extended Focused Assessment with Sonography in Trauma (eFAST)
<http://youtu.be/Yg78aU93SZE> (25,880 views on 11/1/2015)
2. Ultrasound Estimated Post-Void Residual Bladder
<http://youtu.be/g2PUBIFTNq0> (4,900 views on 8/16/2015)
3. Ultrasound of Morison's Pouch (first part of a FAST exam)
<http://youtu.be/Jplpyd5yCs0> (576 views on 8/16/2015)
4. Deep Vein Intravenous Catheter Placement
<http://youtu.be/YKr69aCMKFw> (136 views on 6/27/14)
5. Ocular Ultrasound
<http://youtu.be/r7iNuqm8NnQ> (31 views on 6/27/14)

Books

Sherman SC, Cico SJ, Nordquist E, Ross C, Wang E; Atlas of Clinical Emergency Medicine (2015) Wolters Kluwer.

- I served as a contributor of several chapters for this book.

Dries DJ, Zanotti-Cavazzoni SL, Latenser BA, Martinex EA, Rincon F, **Zwank MD**; Year Book of Critical Care Medicine (2013) Mosby.

- I served as an Associate Editor for this book.

Dries DJ, Zanotti-Cavazzoni SL, Latenser BA, Martinex EA, Rincon F, **Zwank MD**; Year Book of Critical Care Medicine (2012) Mosby.

- I served as an Associate Editor for this book.

Websites

www.plusultrasound.com

1/2011-present

- I am the sole developer and am solely responsible for the content and update of this website. The website brings together a number of resources related to bedside ultrasound developed by others as well as resources developed by me into a convenient single location for others to use. It also serves as a personal web-log (blog) for high-yield current literature.

Presentations

Invited Oral Presentations at International Professional Meetings, Conferences, etc.

1. Zwank MD. Ultrasound in Acute Respiratory Illness in Children. 1st International Congress on Ultrasound in the Critical Patient. Bogota, Colombia, July 23-25, 2015.

2. **Zwank MD.** Cost-effectiveness and Socioeconomic Impact of Ultrasound at the Bedside. 1st International Congress on Ultrasound in the Critical Patient. Bogota, Colombia, July 23-25, 2015.

Invited Oral Presentations at Local and Regional Professional Meetings, Conferences, etc.

1. **Zwank MD** The Nuts and Bolts of Bedside Ultrasound. Urgent Care: An Old Concept in the New Millennium. Minneapolis, MN – October 29-30, 2015.
2. **Zwank MD** Best New Literature for the Rural Emergency. 3rd Comprehensive Advanced Life Support (CALS) Hospital Conference. Minneapolis, MN – October 9, 2015.
3. **Zwank MD, Norman KB.** Peripheral IV Access With and Without Ultrasound Guidance - A Guide for EVERYONE. Trauma Education: The Next Generation. Saint Paul, MN. Supported by HealthPartners Institute for Education and Research – September 17, 2015.
4. **Zwank MD.** Does This Trauma Patient Need a CT Scan. Trauma Education: The Next Generation. Saint Paul, MN. Supported by HealthPartners Institute for Education and Research – September 4, 2014.
5. **Zwank MD.** Extended Focused Assessment with Sonography in Trauma (eFAST). Trauma Education: The Next Generation. Saint Paul, MN. Supported by HealthPartners Institute for Education and Research – September 5, 2013.
6. **Zwank MD** Hot Topics for the Rural EM Provider: A Review of the Recent Literature. 2nd Comprehensive Advanced Life Support (CALS) Hospital Conference. Minneapolis, MN – April 26, 2013.
7. **Zwank MD.** Influential Papers in Emergency Medicine. Emergency Medicine and Trauma Update. Bloomington, MN. Supported by HealthPartners Institute for Education and Research – November 15, 2012.
8. **Zwank MD.** Functional Hemodynamics & Lung Imaging via Bedside Ultrasonography; Optimizing Mechanical Ventilation 2012. Saint Paul, MN. HealthPartners Institute for Education and Research – October 26-28, 2012.
9. **Zwank MD.** Influential Papers in 2011: Emergency Medicine and Bedside Ultrasound Breakout Session. Emergency Medicine and Trauma Update. Bloomington, MN. Supported by HealthPartners IME - November 18, 2011.
10. **Zwank MD.** CT Use in Trauma – A Challenging Dilemma. South Dakota American College of Emergency Medicine (ACEP) Regional Meeting Rapid City SD. March 4, 2011
11. **Zwank MD.** 5 Uses of Ultrasound for Every Emergency Physician. South Dakota ACEP Regional Meeting Rapid City SD. March 4, 2011
12. **Zwank MD.** To CT or Not? A Simple Question. Or Not. and Bedside Ultrasound Breakout Session. Emergency Medicine and Trauma Update. Bloomington, MN. Supported by HealthPartners IME - November 17, 2010.

13. **Zwank MD.** Monitoring Cardiac Output and Functional Hemodynamics Breakout Session. Optimizing Mechanical Ventilation 2010. Saint Paul, MN. Supported by HealthPartners IME – October 8, 2010.
14. **Zwank MD.** Ten Papers That Will Change Your Practice and Bedside Ultrasound Breakout Session. Emergency Medicine and Trauma Update. Bloomington, MN. Supported by HealthPartners IME - November 19, 2009.
15. **Zwank MD.** Bedside Ultrasound Breakout Session. Emergency Medicine and Trauma Update. Bloomington, MN. Supported by HealthPartners IME - November 20, 2008.

Peer-reviewed Oral Presentations at Professional Meetings, Conferences, etc.

1. **Zwank MD,** Gordon BD. Innovative Utilization of the Epic Electronic Medical Record for Integrating Evidence-Based Medicine and Improving Patient Care. SAEM Annual Meeting, San Diego, CA, May 2015.
2. **Zwank MD,** Muhar A. Can A Low Risk Chest Pain Protocol Reduce Admission Rates Among Patients Presenting to the Emergency Department with Chest Pain?. Platform Presentation, – SAEM Annual Meeting, Atlanta, GA, May 2013.
3. **Zwank MD.** Can a Low Risk Chest Pain Protocol Reduce Admission Rates Among Patients Presenting to the Emergency Department with Chest Pain? A Quality Project. Platform - SAEM Great Plains Regional Research Forum St. Louis MO, Sept 29, 2012.
4. **Zwank MD.** Mayeux G, MacDonald J, Muhar A, Anderson CP. Effect of Repeat Abdominal CT in ED Patients on Diagnosis and Disposition. Lightning Oral Abstract - SAEM Great Plains Regional Research Forum St. Louis MO, Sept 29, 2012.
5. Gresback DJ, **Zwank MD.** Disposition Variability for Patients with Chest Pain Among Emergency Department Physicians. Lightning Oral Presentation – SAEM Great Plains Regional Research Forum St. Louis MO, Sept 10, 2011.
6. **Zwank MD.** Bedside Ultrasound for the Hypotensive Patient, Platform Presentation – SAEM Annual Meeting Boston MA. June 1-5, 2011.
7. Carlson CA, Anderson CP, **Zwank MD.** Correlation Between Internal Jugular Vein Dimensions and Congestive Heart Failure. Platform presentation – SAEM Annual Meeting Boston MA. June 1-5, 2011.

Poster Abstract Presentations at Professional Meetings, Conferences, etc.

1. **Zwank MD,** House CM, Isenberger KM, Quaday KA, Ziegenfuss JY, Moriarty KA, Nelson WB. Early Discharge with Next Day Stress Testing in Low Risk Chest Pain Patients Presenting to the Emergency Department is Feasible. ACEP Scientific Assembly Annual Meeting Boston, MA, Oct 26-29, 2015.
2. Stoesz AE, **Zwank MD,** Stuck LH, Ward CM. Anterior Shoulder Dislocation Reduction in the Emergency Department: Is There a Best Technique? ACEP Scientific Assembly Annual Meeting Boston, MA, Oct 26-29, 2015.

3. **Zwank MD**, Droegemueller CJ. Pre-Hospital Notification of Suspected Acute Ischemic Stroke Can Improve Common Reported Time Benchmarks. SAEM Great Plains Regional Research Forum, Minneapolis, MN September, 2015.
4. **Zwank MD**, Cicoello K, Farrar K. Does an Electronic Medical Record Alert Improve Recognition of Elevated Blood Pressure Prior to Discharge? SAEM Great Plains Regional Research Forum, Minneapolis, MN September, 2015.

Other Key Activities and Accomplishments

Academic Excellence Scholar (University of Wisconsin) Awarded a full 4-year academic scholarship to attend the University of Wisconsin	8/1992-8/1996
Junior Researcher Department of Pulmonary Diseases (Leo Koenderman, PhD) Utrecht Medical Center, Utrecht, The Netherlands	6/2001-5/2002
Research Assistant Department of Neuroendocrinology (Charles Czeisler, MD, PhD) Brigham & Women's Hospital, Boston, MA	2/1997-6/1997
Research Assistant	1/1993-5/1994

Department of Urology (Walter Hopkins, PhD)
University of Wisconsin, Madison, WI

TEACHING AND CURRICULUM DEVELOPMENT

University of Minnesota

- Course Director 2009-Present
EMMD 7512- Bedside Ultrasound for the Clinician
http://www.meded.umn.edu/clerkships/EMMD_7512.php
University of Minnesota Medical School
Minneapolis, MN
- Clinical Faculty Teacher 2007-present
EMMD 7500- Bedside Ultrasound for the Clinician
http://www.meded.umn.edu/clerkships/EMMD_7500.php
University of Minnesota Medical School
Minneapolis, MN
- Ultrasound & Procedure Workshops 2007-present
University of Minnesota Medical School
Minneapolis, MN
Workshops include: Ultrasound Workshops with First/Second Year
Critical Care Curriculum, Ultrasound with Cadaver Lab, Airway Procedure Lab

External

- Instructor 2012-present
Rare Procedure Lab for Faculty Emergency Physicians
Department of Emergency Medicine
Regions Hospital
Saint Paul, MN
- Emergency Medical Service Critical Case Reviews 2007-Present
Saint Paul EMS Station 10
Saint Paul, MN

Course/Lecture List

- Emergency Medicine Residency Core Content 2006-present
Regions Hospital Emergency Medicine Residency
Saint Paul, MN
- I lecture 4-6 times per year on topics of emergency ultrasound and obstetrics/
gynecology.
- Emergency Medicine Critical Case Conference 2006-present
Regions Hospital Emergency Medicine Residency
Saint Paul, MN

- I conduct this conference including patient case presentation and discussion 4-6 times per year.

Emergency Medicine PGY-1 Ultrasound Orientation 2009-Present
 Developed course concepts for Emergency Medicine Curriculum
 Regions Hospital
 Saint Paul, MN
 - This is an ongoing course for first year residents. I am the sole developer for the course content, expectations and evaluations.

Curriculum Development

Bedside Ultrasound for the Clinician (EMMD 7512) 7/2009-Present
 University of Minnesota Medical School
 Minneapolis, MN
 - With Drs. Rob Reardon and Cullen Hegarty, I developed the concept for this course and received approval from the Medical School to offer it. The course is a four week elective aimed at teaching bedside focused ultrasound to interested medical students primarily heading into the field of emergency medicine.

Ultrasound-guided Internal Jugular Central Line Workshop 2010-present
 Regions Hospital
 Saint Paul, MN
 - A monthly workshop that I conduct in the Simulation Center at Regions Hospital aimed at training residents and medical students to place central lines using ultrasound guidance

Ultrasound Curriculum 2008-present
 Regions Hospital Emergency Medicine Residency
 Saint Paul, MN
 - An integrated bedside ultrasound curriculum used during the first year of residency. Interns spend the morning intubating patients in the operating room in the morning and then reading, viewing online content and performing bedside ultrasound in the afternoon

Ultrasound Tuesdays
 Regions Hospital Emergency Department
 Saint Paul, MN
 - One Tuesday every month, I dedicate to bedside ultrasound teaching in the emergency department. This time is used for instructing nurses, residents, physician assistants and attendings in various aspects of bedside ultrasound.

Collaborative Efforts and Activities

Mock Oral Boards for Emergency Medicine Residents 2007-present
 Regions Hospital
 Saint Paul, MN
 - This is given once over a two day span each year

Faculty Development Activities regarding teaching

Emergency Medicine Basic Research Seminar 2007-2008
 American College of Emergency Physicians

Dallas, TX

- I was an attendee at this two week seminar.

Continuing Medical Education

I complete 30-50 or more AMA PRA Category 1 CME credits every year.

ADVISING AND MENTORING

Medical Students

Medical Student Mentor 2007-Present

Clinical Mentor for medical students interested in Emergency Medicine
University of Minnesota Medical School
Minneapolis, MN

Gunnar Wagoner – Medical Student (2013)
Adam Kraus, MD – Resident University of Nebraska (2012)
Wendy Woster, MD – Attending Physician Healthpartners (2008)
Kate Katzung, MD – Toxicology Fellowship Regions Hospital (2007)

Post-Doctoral Fellows Mentoring Activities

Scholarly Oversight Committee for Fellowship Research Project
Beth Placzek, DO – Attending Physician Mayo Clinic (2012-2013)

Residents Supervised

Resident Mentor 2007-present

Emergency Medicine Residency
Mentor one resident in each residency class during their residency
Regions Hospital
Saint Paul, MN

Maria Goertz, MD – Current Resident (2013-present)
Amy Stoesz, MD – Current Resident (2012-present)
Kyle Holloway, MD – Current Resident (2011-present)
Joe Walter, MD – Hyperbaric Fellowship, Hennepin County Medical Center (2010-2013)
Eric Dahl, MD – Attending Physician Healthpartners (2009-2012)
N Kojla Paech, MD – Attending Physician University of California San Francisco (2008-2011)
Nate Curl, MD – Attending Physician University of Iowa (2007-2010)

Resident Scholarly Project/Research Project Mentor 2007-present

Emergency Medicine Residency
Mentor multiple resident projects during the course of their residency
Regions Hospital
Saint Paul, MN

Sakib Motalib : VTI and fluid responsiveness
 Shaun Kennedy : Electronic Medical Record Order Entry
 Ryan Bourdon : Urinary Tract Infection Variance by Body Mass Index
 Eric Ellingson : Internal Jugular Vein Dimensions Predicting Congestive Heart Failure
 Marc Ellingson : Internal Jugular Vein Dimensions Predicting Congestive Heart Failure
 Brian Roach : Emergency Department Provider Efficiency and Patient Throughput
 Gary Mayeux : Repeat Abdominal CT Scans
 Wendy Woster : CT Scan Utility for Renal Colic Diagnosis
 Peter Baggenstos : Ultrasound Utility for Undifferentiated Hypotension Review
 Jerome Walker : Padding Slider Boards and Patient Comfort
 Catie Carlson : Internal Jugular Vein Dimensions Predicting Congestive Heart Failure
 Alex Gerbig : Electronic Medical Record Order Entry and Clinical Decision Rules
 Kolja Paech : Laboratory use in the Medical Clearance of Depressed Patients
 Chris Dillon : Peripheral IV Catheter in the Internal Jugular Vein
 Danielle Jackson : Peripheral IV Catheter in the Internal Jugular Vein
 Duncan McBean : Peripheral IV Catheter in the Internal Jugular Vein

Other Mentoring Activities *[including serving as a mentor or member of a mentoring committee for a faculty member, etc.]*

Research Intern Mentor

Mentored Research Interns from project development to completion

Marissa Leow : Patient Knowledge about CT Scan Radiation Risks (2009-2010)
 Benjamin Ho, MD : CT Scan Utility for Renal Colic (2010-2011)
 David Gresback, MD – CT Scan Utility for Renal Colic (2011-2012)
 Benjamin Dummer – Lacunar Stroke in Pediatric Patients (2012-2013)
 Levi Danielson – Lacunar Stroke in Pediatric Patients (2012-2013)

CLINICAL SERVICE

Quality Improvement Projects

Regions Hospital ED to Inpatient Bed LEAN Team 11/2013-Present
 Served on committee focused on improving efficiency of moving patients from the emergency department to their hospital bed after the admission order has been placed

Regions Hospital ED to Discharge LEAN Team 1/2009-2010
 Served on committee focused on improving efficiency of discharging patients from the emergency department after the discharge order has been placed

Clinical Service Responsibilities

Attending Emergency Medicine Physician 2006-present
 Regions Hospital Emergency Department
 Regions Hospital

Saint Paul, MN

I am a clinician who is scheduled for clinical shifts throughout the entire year. I work 1200 clinical hours per year (approximately three 8 hour shifts totalling 24-25 hours per week). The majority of these hours are located at our teaching hospital. I work approximately 2 shifts each month in community hospitals

Inter-department Liaison – Obstetrics & Gynecology 10/2012-present
Regions Hospital
Saint Paul, MN

PROFESSIONAL SERVICE AND PUBLIC OUTREACH

Editorships/Journal Reviewer Experience

Journal Reviewer 9/2013 - present
American Journal of Emergency Medicine

Newsletter Section Editor 1/2012-present
Ultrasound Section
American College of Emergency Medicine
Dallas, Texas

Committee memberships

Hospital Point of Care Ultrasound Committee 5/2014-present
Co-chair with a radiologist of a recently formed committee focused on oversight of all bedside ultrasound throughout the hospital
Regions Hospital
Saint Paul, MN

Institute for Clinical Systems Improvement (ICSI) 2/2012-10/2012
Diagnosis and Treatment of Chest Pain and Acute Coronary Syndrome
Served as a committee member for this task force aimed at developing national guidelines for the management of acute chest pain.
Bloomington, MN
