

Take it from our residents

“

I felt welcomed from the first conversation I had with the team on my interview day.

– Erin K.

“

The residency year can truly be built around your clinical interests.

– Katie G.

About our hospital

Park Nicollet Methodist Hospital is a 426-bed, Level 3 Trauma, community hospital located in St. Louis Park, a first-ring suburb of Minneapolis, MN. We're recognized as a leader in cancer care, cardiovascular services, infectious disease, anticoagulation and neuro-rehabilitation medicine. We care for over 30,000 patients a year; learn more at methodisthospital.com.

PGY-1 Pharmacy Residency Program

Residency program

We're an ASHP-accredited PGY-1 Pharmacy Practice Residency, enrolling three residents each year. Our program offers a variety of learning experiences individualized to resident interests.

Residents work directly with pharmacist preceptors, patients and health care professionals to promote patient safety and improve outcomes through effective, efficient, appropriate, safe and cost-effective medication use.

Program goals

The goal of our residency program is to train, mentor and develop pharmacist practitioners and leaders who can deliver high-quality patient-centered care in a variety of hospital settings.

Teaching philosophy

Our teaching philosophy focuses on understanding pharmacodynamic principles as a basis for drug therapy, the development of communication skills that take into consideration health care literacy, and the ability to interpret, react to and initiate change.

Required learning

Each resident is required to complete:

- Orientation
- Seven required monthly rotations, three electives
- Longitudinal residency project
- Specialties: Cardiology, Critical Care, Emergency Medicine, Infectious Disease, Internal Medicine, Oncology
- Pharmacy management, leadership

Visit healthpartners.com/mhpr to see all available rotations, electives and activities.

Program benefits

We offer a range of benefits, including:

- Competitive salary
- Travel allowance for the ASHP Midyear Clinical Meeting and a regional residency conference
- 20 days of paid personal time off (PTO)
- Medical, dental and life insurance
- Designated resident office space and laptop
- Staffing: every third weekend (eight-hour shifts, day and evening rotation), three holidays

Candidate qualifications

- PharmD from an ACPE-accredited program
- Eligibility for MN pharmacist licensure

How to apply

Visit healthpartners.com/mhpr to see the required application materials and online application process.
