

SharedSpace4Learning

Updating your profile to include observer role

1. Go to sharedspace4learning.com in Google Chrome and log in with your student email and password
2. Click on "My profile" on the left hand side
3. Under "Role Information", check the box that says "Change/update my roles" and select the experience(s) you want to participate in
4. Complete any required fields in the "Learner information" section and click Save & continue
